

REMARKS

The Examiner objected to the term "associated" in lines 5 and 6 of Claim 1. Applicants have amended Claim 1 per Examiner's suggestions and respectfully submit that Claim 1, and Claims 2 through 12 which are dependent on Claim 1, are now suitable for allowance. Similarly, the Examiner objected to the term "permanently" in line 4 of Claim 43. Applicants have removed this term per Examiner's suggestions and respectfully submit that Claim 43 as amended, and dependent Claims 44 through 52, are now suitable for allowance.

Additionally, Claims 17 through 19 were objected to as being depended on rejected base Claim 13. Applicants have canceled dependent Claim 17 and amended Claim 13 to include all the limitations of Claim 17 per Examiner's suggestion. Claims 18 and 19 are now dependent on amended Claim 13 and include all the limitations of amended Claim 13. Applicants respectfully submit that Claims 13 through 16, 18 and 19, as amended, are now suitable for allowance.

Accordingly, Applicant believes that the Application is now in suitable form for allowance. Applicant respectfully requests reconsideration and solicits a Notice of Allowance. If the Examiner feels that a telephone conference with Applicants' attorney would advance the prosecution of the application, he is invited to call the undersigned at 502.562.7319.

Respectfully submitted,
